

## **Fire Warden Training.**

**Duration: Half day (3 hours).**

### **Aim:**

The course is designed for those persons who have been nominated as Fire Wardens and is designed to satisfy the 'additional requirements' of the Regulatory Reform (Fire Safety) Order 2005. This is a comprehensive course and is designed to provide participants with a greater awareness and understanding of fire and the dangers it poses.

### **Who should attend:**

The course is designed for persons who are delegated as being responsible for implementing the premises evacuation procedure and who may be required, as part of the organisations fire routine, to operate a fire extinguisher.

### **Content:**

- Fire safety legislation.
- Understand the responsibilities of fire wardens.
- Evacuation procedures.
- General fire precautions in the workplace.
- Nature and hazards of fire.
- Human behaviour.
- Selection and operation of appropriate fire fighting appliances.
